

Interview Questions for
Perform Like a Rock Star
and Still Have Time for Lunch
By Orna W. Drawas

- You say the biggest challenge facing professionals today is balancing work and home. Why is today any different than it has been say two, five or even ten years ago?
- What do you mean when you say: Are you stoned, or just checking e-mail?
- No matter how smart or how skilled a CEO is, he or she doesn't operate alone. Their success is dependent upon the contributions of their entire organization. What does it take to create a culture of peak performance?
- There are hundreds of self-help books out there that talk about setting goals, visualizing, focusing on success, etc. You approach success from a different angle. What is your formula for success?
- Everyone wants to be successful, but not everyone is willing to read a book, watch a DVD or take a course. Can you boil it down to the top three things that would make the greatest impact on a professional's future?
